

Network Method Survey Instrument

8. What ZONE DE SANTE are you coming from today?

- ☐ Nyunzu
- ☐ Nyemba
- ☐ Kalemie

9. What AIRE DE SANTE are you coming from today?

12. What VILLAGE are you coming from today?

13. Is{village_name} your place of usual residence?

- ☐ Yes
- ☐ No

Please re-check where is the village or quartier the person usually resides. This is the location we should be interviewing about.

Please go back and revise the village/quartier.

If the respondent is actually not eligible for the interview, please go back and choose "NO" for eligible, thank the respondent for their time and end the interview.

14. What is the sex of the respondent?

- ☐ Male
- ☐ Female

15. What is the age of the respondent in completed years?

16. Only interview respondents who are 18 years of age or older. This respondent is{ki_age}, and is not old enough to participate in the study.

17. What is the marital status of the respondent?

- ☐ Single
- ☐ Married
- ☐ Divorced
- ☐ Widowed
- ☐ Other

18. Please describe other marital status

19. What is the residency status of the respondent?

- ☐ Resident
- ☐ Internally Displaced Person (IDP)
- ☐ IDP Returnee
- ☐ Refugee Returnee
- ☐ Refugee

20. What is the highest level of education of the respondent?

- ☐ None
- ☐ Primary
- ☐ Lower Secondary
- ☐ Upper Secondary
- ☐ Superior (Post Secondary)
- ☐ Other
- ☐ Don't know
- ☐ Prefer not to answer.

21. Please describe other education level

22. What is the main material of your home's exterior walls?

- ☐ no walls
- ☐ cane/palm tree/trunks
- ☐ earth
- ☐ bamboo with mud
- ☐ stone with mud
- ☐ uncovered adobe/bamboo/wood with mud
- ☐ reused wood
- ☐ wood
- ☐ cement
- ☐ stone with lime/cement
- ☐ bricks
- ☐ cement blocks
- ☐ coated adobe
- ☐ wood planks/shingles
- ☐ other

23. Please describe the other material

24. In your household, what type of fuel is primarily used for cooking?

- ☐ electricity
- ☐ biogas
- ☐ kerosene
- ☐ coal, lignite
- ☐ charcoal
- ☐ wood
- ☐ straw/shrubs/grass
- ☐ agricultural crop
- ☐ animal dung
- ☐ no food cooked in the house
- ☐ other

25. Please describe the other type of fuel

26. Does your household have at least one bed?

- ☐ Yes
- ☐ No
- ☐ Don't know
- ☐ No response

27. Does your household have at least one radio?

- ☐ Yes
- ☐ No
- ☐ Don't know
- ☐ No response

28. Over the last 12 months, what is your occupation, that is, what kind of work do you mainly do?

- ☐ Not currently working
- ☐ Professional, technical, or managerial worker (salaried)
- ☐ Clerical worker
- ☐ Sales worker
- ☐ Self-employed agricultural worker
- ☐ Agricultural employee
- ☐ Household, domestic or service worker
- ☐ Skilled manual worker
- ☐ Unskilled manual worker
- ☐ Armed forces
- ☐ Other
- ☐ Don't know
- ☐ No response

29. Please describe other occupation

30. What is the reason for the person's movement through town today?

- ☐ Visit family and/or friends
- ☐ Access health services
- ☐ Receive humanitarian aid/access social services
- ☐ Access stores or markets
- ☐ Access transport to another location
- ☐ Work or looking for work
- ☐ Other

31. Please describe other reason

In the following section, we want to know about the number of people you know who are your neighbours, or who are part of your extended family.

Please think about all the people with your own household.

By household we mean the people living together under the same roof or in the same compound, and share food from the same cooking pot, most days of the previous week.

How many...

32. Number of boys < 5 years old

33. Number of girls < 5 years of age

34. Number of boys 5 - 18 years of age

35. Number of girls 5 - 18 years of age

36. Number of men 18+ years of age

37. Number of women 18+ years of age

38. How many people in your household have died since{recall_event}?

Please think of the 5 households closest to your household by walking distance. Please only tell me about the people who usually live in this household . **By household we mean the people living together under the same roof or in the same compound, and share food from the same cooking pot, most days of the previous week.**

1

[For interviewer] Can the respondent report a household #aposneighbour}?

☐ Yes

☐ No

By household we mean the people living together under the same roof or in the same compound, and share food from the same cooking pot, most days of the previous week.

In neighbour household #aposneighbour}

How many...

39. Number of boys < 5 years old

40. Number of girls < 5 years of age

41. Number of boys 5 - 18 years of age

42. Number of girls 5 - 18 years of age

43. Number of men 18+ years of age

44. Number of women 18+ years of age

45. How many people in neighbour household *#aposneighbour* have died since*{recall_event}*?

You reported*{anumneighbour_adults}* in the the neighbour household. Please re-check your work as there cannot be a household with only under-5 year old children.

You reported*{atotneighbour}* in the the neighbour household. Please re-check your work as there cannot be a household with 0 people.

46. In your household, and your closest 5 neighbours, how many people have **LEFT** their localite or quartier since*{recall_event}* ?

47. In your household, and your closest 5 neighbours, how many people have **JOINED** their localite or quartier since*{recall_event}* ?

48. How many births do you know of in your household, and the households of your 5 closest neighbours, since*{recall_event}* ?

49. How many older children (5+ years) or adults do you know, in **your household, and the households of your 5 closest neighbours**, who had **serious acute watery diarrhoea** since{recall_event}?

50. How many children under-5 years do you know in **your household, and the households of your 5 closest neighbours**, who had **MEASLES** since{recall_event}?

Now we are going to ask you questions about your extended family. In the following section, we consider people as part of your extended family who:

- Reside in the same zone de sante as you
- You are blood related to
- Are still alive today

We want to know about people you know who:

- **Reside in the same zone de sante as you**
- **You are blood related to**
- **Are still alive today**

How many of *YOUR OWN MALE CHILDREN** are in{zonedesante_name}...

51. Number of people < 5 years of age

52. Number of people 5-18 years of age

53. Number of people 18+ years of age

54. How many of **YOUR OWN MALE CHILDREN** in{zonedesantename} *have died since{recallev} ?*

We want to know about people you know who:

- Reside in the same zone de sante as you
- You are blood related to
- Are still alive today

How many of **YOUR OWN FEMALE CHILDREN** are in{zone*desante_name*}...

55. Number of people < 5 years of age

56. Number of people 5-18 years of age

57. Number of people 18+ years of age

58. How many of **YOUR OWN FEMALE CHILDREN** in{zone*desantename*} *have died since{recallev}* ?

We want to know about people you know who:

- Reside in the same zone de sante as you
- You are blood related to
- Are still alive today

How many of **YOUR OWN MALE GRANDCHILDREN** in{zone*desante_name*}...

59. Number of people < 5 years of age

60. Number of people 5-18 years of age

61. Number of people 18+ years of age

62. How many of your own **YOUR OWN MALE GRANDCHILDREN** in{zone*desante*name} have died since{recallev^{ent}} ?

We want to know about people you know who:

- **Reside in the same zone de sante as you**
- **You are blood related to**
- **Are still alive today**

How many **YOUR OWN FEMALE GRANDCHILDREN** in{zone*desante*_name}...

63. Number of people < 5 years of age

64. Number of people 5-18 years of age

65. Number of people 18+ years of age

66. How many of **YOUR OWN FEMALE GRANDCHILDREN** in{zone*desante*name} have died since{recallev^{ent}} ?

We want to know about people you know who:

- **Reside in the same zone de sante as you**
- **You are blood related to**
- **Are still alive today**

How many**YOUR OWN SISTERS** in{zone*desante*_name}...

67. Number of people < 5 years of age

68. Number of people 5-18 years of age

69. Number of people 18+ years of age

70. How many of **YOUR OWN SISTERS** in{zone*desanten*name} *have died since*{recall*event*} ?

We want to know about people you know who:

- **Reside in the same zone de sante as you**
- **You are blood related to**
- **Are still alive today**

How many of **YOUR OWN BROTHERS** in{zone*desante*_name}...

71. Number of people < 5 years of age

72. Number of people 5-18 years of age

73. Number of people 18+ years of age

74. How many of **YOUR OWN BROTHERS** in{zone*desanten*name} *have died since*{recall*event*} ?

We want to know about people you know who:

- **Reside in the same zone de sante as you**
- **You are blood related to**
- **Are still alive today**

How many of **YOUR OWN MALE COUSINS** in{zone*desante*_name}...

75. Number of people < 5 years of age

77. Number of people 18+ years of age

78. How many of **YOUR OWN MALE COUSINS** in{zone*desante*name} *have died since{recallev}*?

We want to know about people you know who:

- **Reside in the same zone de sante as you**
- **You are blood related to**
- **Are still alive today**

How many of **YOUR OWN FEMALE COUSINS** in{zone*desante*_name}...

79. Number of people < 5 years of age

80. Number of people 5-18 years of age

81. Number of people 18+ years of age

82. How many of **YOUR OWN FEMALE COUSINS** in{zone*desante*name} *have died since{recallev}*?

We want to know about people you know who:

- **Reside in the same zone de sante as you**
- **You are blood related to**
- **Are still alive today**

How many of **YOUR OWN PARENTS** in{zone*desante*_name}...

83. Mother age 18+ years of age

84. Father age 18+ years of age

85. How many of **YOUR OWN PARENTS** in{zone*desante*name} *have died since{recal}event* ?

We want to know about people you know who:

- **Reside in the same zone de sante as you**
- **You are blood related to**
- **Are still alive today**

How many **OF YOUR OWN AUNTS** in{zone*desante*_name}...

86. Number of people < 5 years of age

87. Number of people 5-18 years of age

88. Number of people 18+ years of age

89. How many of **YOUR OWN AUNTS** in{zone*desante*name} *have died since{recal}event* ?

We want to know about people you know who:

- **Reside in the same zone de sante as you**
- **You are blood related to**
- **Are still alive today**

How many de **YOUR OWN UNCLES** in{zone*desante*_name}...

90. Number of people < 5 years of age

91. Number of people 5-18 years of age

92. Number of people 18+ years of age

93. How many of **YOUR OWN UNCLES** in{zone*desanten*ame} *have died since*{re*cal*event} ?

We want to know about people you know who:

- **Reside in the same zone de sante as you**
- **You are blood related to**
- **Are still alive today**

How many of **YOUR OWN GRANDFATHERS** in{zone*desante*_name}...

94. Number of people 18+ years of age

95. How many of **YOUR OWN GRANDFATHERS** in{zone*desanten*ame} *have died since*{re*cal*event} ?

We want to know about people you know who:

- **Reside in the same zone de sante as you**
- **You are blood related to**
- **Are still alive today**

How many **YOUR OWN GRANDMOTHERS** in{zone*desante*_name}...

96. Number of people 18+ years of age

97. How many of **YOUR OWN GRANDMOTHERS** in{zone}desante{name} have died since{recall}event} ?

98. Within your **EXTENDED FAMILY** which you counted, how many people do you know that have left their localite or quartier since{recall}event} ?

99. Within your **EXTENDED FAMILY** which you counted, how many people do you know that have **JOINED** their localite or quartier since{recall}event} ?

100. Within your **EXTENDED FAMILY**, how many births do you know since{recall}event} within your extended family ?

101. Within your **EXTENDED FAMILY**, how many older children (5+ years) or adults do you know who had **serious acute watery diarrhoea** since{recall}event} ?

102. Within your **EXTENDED FAMILY**, how many children under-5 years of age do you know who had **MEASLES** since{recall}event} ?

Now we are going to ask you questions about your extended family. In the following section, we want to know about people you know who:

- Reside in the same zone de sante as you
- You are blood related to
- Are still alive today

We want to know about people you know who:

102. Within your **EXTENDED FAMILY**, how many children under-5 years of age do you know who had **MEASLES** since{recall_event} ?

Please think about all the people with your own household.

By household we mean the people living together under the same roof or in the same compound, and share food from the same cooking pot, most days of the previous week.

How many...

32. Number of boys < 5 years old

33. Number of girls < 5 years of age

34. Number of boys 5 - 18 years of age

35. Number of girls 5 - 18 years of age

36. Number of men 18+ years of age

37. Number of women 18+ years of age

38. How many people in your household have died since{recall_event}?

Please think of the 5 households closest to your household by walking distance. Please only tell me about the people who usually live in this household . **By household we mean the people living together under the same roof or in the same compound, and share food from the same cooking pot, most days of the previous week.**

[For interviewer] Can the respondent report a household #{bposneighbour}?

- ☐ Yes
- ☐ No

By household we mean the people living together under the same roof or in the same compound, and share food from the same cooking pot, most days of the previous week.

In neighbour household *{aposneighbour}*

How many...

39. Number of boys < 5 years old

40. Number of girls < 5 years of age

41. Number of boys 5 - 18 years of age

42. Number of girls 5 - 18 years of age

43. Number of men 18+ years of age

44. Number of women 18+ years of age

45. How many people in neighbour household *{aposneighbour}* have died since{recall_event}?

You reported*{anumneighbour_adults}* in the the neighbour household. Please re-check your work as there cannot be a household with only under-5 year old children.

You reported*{atotneighbour}* in the the neighbour household. Please re-check your work as there cannot be a household with 0 people.

46. In your household, and your closest 5 neighbours, how many people have LEFT their localite or quartier since{recall_event} ?

47. In your household, and your closest 5 neighbours, how many people have **JOINED** their localite or quartier since{recall_event} ?

48. How many births do you know of in your household, and the households of your 5 closest neighbours, since{recall_event} ?

49. How many older children (5+ years) or adults do you know, in **your household, and the households of your 5 closest neighbours**, who had **serious acute watery diarrhoea** since{recall_event}?

50. How many children under-5 years do you know in **your household, and the households of your 5 closest neighbours**, who had **MEASLES** since{recall_event}?

You reported:

-{numbirthsneighbours} births from your household and your 5 closest neighbours

-{numbirthskin} births from your extended family

103. How many total, unique births really happened since{recall_event}?

Births

1

104. What is your relationship to child #{birth_pos}?

- ☐ Own household
- ☐ Neighbour
- ☐ Extended family
- ☐ Other
- ☐ Don't know
- ☐ No resposne

105. What is the family relationship?

- ☐ Own child
- ☐ Own grandchild
- ☐ Own brother or sister
- ☐ Own parent
- ☐ Own cousin
- ☐ Own uncle or aunt
- ☐ Own grandparent
- ☐ Other family

106. Do you know the sex of child #{birth_pos}?

- ☐ Male
- ☐ Female
- ☐ Don't Know

107. Do you know the day, month, and year of child #{birth_pos} birth?

- ☐ Yes
- ☐ No

108. What is the date of birth for child #{birth_pos}?

yyyy-mm-dd

109. If do not know the exact date, can you estimate the month-year of birth for child #{birth_pos} ?

yyyy-mm-dd

110. What was the outcome of this birth?

- ☐ Born, and still alive
- ☐ Born, but now dead
- ☐ Child not born alive
- ☐ Don't know
- ☐ Other

111. Please describe other birth outcome

You reported this child is{calcfinalageyears}, however they were born since{recall_event}, which does not make sense.

Can you please check the age and/or date of birth reported for this birth? If born before{recall_event}, should not be counted as a birth}.

Cholera is an acute disease which can affect all ages often characterized by severe diarrhoea or severe dehydration.

In the following section, we want to ask you a few questions about older children (12 years+) or adults who have had serious acute watery diarrhoea since{recall_event}.

You reported:

-{numawdneighbours} serious acute watery diarrhoea cases from your household and your 5 closest neighbours

-{numawdkin} serious acute watery diarrhoea cases from your extended family

112. How many total, unique cases of serious acute watery diarrhoea really happened since{recall_event}?

Suspect Cholera

1

113. What is your relationship to person #{awd_pos} ?

- ☐ Own household
- ☐ Neighbour
- ☐ Extended family
- ☐ Other
- ☐ Don't know
- ☐ No resposne

113.1 What is the family relationship?

- ☐ Own child
- ☐ Own grandchild
- ☐ Own brother or sister
- ☐ Own parent
- ☐ Own cousin
- ☐ Own uncle or aunt
- ☐ Own grandparent
- ☐ Other family

114. What was the sex of the person #{awd_pos} ?

- ☐ Male
- ☐ Female
- ☐ Don't Know

115. What was the age in years of person #{awd_pos}?

116. Did you observe person #{awd_pos} directly when they were sick?

- ☐ Yes
- ☐ No

117. Did person #{awd_pos} have at least 3 loose stools during a 24-hour period?

- ☐ Yes
- ☐ No
- ☐ Don't know
- ☐ No response

118. Did person #{awd_pos} have any vomiting?

- ☐ Yes
- ☐ No
- ☐ Don't know
- ☐ No response

119. Did person #{awd_pos} have sunken eyes?

- ☐ Yes
- ☐ No
- ☐ Don't know
- ☐ No response

120. Do you know the day, month, and year that person #{awd_pos} last had symptoms?

- ☐ Yes
- ☐ No

121. What is the last date that you are aware person #{awd_pos} last had symptoms ?

yyyy-mm-dd

122. If not exact date, can you estimate the month-year that person #{awd_pos} last had symptoms ?

yyyy-mm-dd

123. Did person #{awd_pos} seek health care?

- ☐ Yes
- ☐ No
- ☐ Don't know
- ☐ No response

124. If so, what place was health care sought?

- ☐ Government hospital
- ☐ Government health center
- ☐ Government health post
- ☐ Other government medical facility
- ☐ Private hospital
- ☐ Private clinic
- ☐ Other private medical facility
- ☐ NGO hospital
- ☐ NGO clinic
- ☐ Other NGO medical facility
- ☐ Other - please specify
- ☐ Don't know

125. Please specify other health care sought

126. What was the outcome of person #{awd_pos}'s illness?

- ☐ Person recovered
- ☐ Person still sick
- ☐ Person died
- ☐ Don't know
- ☐ Other

127. Please specify other outcome

Measles is a serious childhood illness, often characterized by fever and a rash that appears on the face or neck.

In the following section, we want to ask you a few questions about children under 5-years of age who may have measles since{recall_event}.

[Show the picture of a child with measles]

You reported:

-{nummeaslesneighbours} measles cases from your household and your 5 closest neighbours

-{nummeasleskin} measles cases from your extended family

128. How many total, unique cases of measles really happened since{recall_event}?

Suspect Measles

1

129. What is your relationship to person #{measles_pos} ?

- ☐ Own household
- ☐ Neighbour
- ☐ Extended family
- ☐ Other
- ☐ Don't know
- ☐ No resposne

130. What was the sex of child #{measles_pos} ?

- ☐ Male
- ☐ Female
- ☐ Don't Know

131. What was the age in years of child #{measles_pos}?

132. Did you observe child #{measles_pos} directly when they were sick?

- ☐ Yes
- ☐ No

133. Did child #{measles_pos} have a rash on their head and/or neck?

- ☐ Yes
- ☐ No
- ☐ Don't know
- ☐ No response

134. Did child #{measles_pos} have fever?

- ☐ Yes
- ☐ No
- ☐ Don't know
- ☐ No response

135. Do you know the day, month, and year that child #{measles_pos} last had measles symptoms ?

- ☐ Yes
- ☐ No

136. What is the last date that you are aware child #{measles_pos} last had measles symptoms ?

yyyy-mm-dd

137. If not exact date, can you estimate the month-year that child #{measles_pos} last had measles symptoms ?

yyyy-mm-dd

138. Did child #{measles_pos} seek health care?

- ☐ Yes
- ☐ No
- ☐ Don't know
- ☐ No response

139. If so, what place was health care sought?

- ☐ Government hospital
- ☐ Government health center
- ☐ Government health post
- ☐ Other government medical facility
- ☐ Private hospital
- ☐ Private clinic
- ☐ Other private medical facility
- ☐ NGO hospital
- ☐ NGO clinic
- ☐ Other NGO medical facility
- ☐ Other - please specify
- ☐ Don't know

140. if other, please specify?

141. What was the outcome of child #{measles_pos}'s illness?

- ☐ Person recovered
- ☐ Person still sick
- ☐ Person died
- ☐ Don't know
- ☐ Other

142. Please specify other outcome

In the following section, we want to ask you a few questions about people who have died since{recall_event}.

In the other sections, you reported{othersectiondeath_total}:

-{sumnewborndeaths} newborn death since{recall_event} in the births section;

-{sumawddeaths} diarrhoeal deaths in older children and adults since{recall_event};

-{summeaslesdeaths} measles deaths since{recall_event} in the births section;

Please make sure you have included these deaths in the number of deaths you are reporting.

You reported:

-{numdeathshh} deaths from your own household

-{numdeathsneighbours} deaths from your 5 closest neighbours

-{numdeathskin} deaths from your extended family

143. How many total, unique deaths really happened since{recall_event}?

You reported{sumnewborndeaths} newborn deaths in the births section, but here did not report any deaths. Please check your work.

You reported{summeaslesdeaths} deaths in the measles section, but here did not report any deaths. Please check your work.

You reported{sumawddeaths} suspected cholera deaths in the cholera section, but here did not report any deaths. Please check your work.

You reported {deathsnumtotal} deaths, but you cannot have fewer than {minotherdeaths} deaths reported. You reported:

- {sumnewborndeaths} newborn deaths

- {summeaslesdeaths} deaths from measles

- {sumawddeaths} deaths from acute watery diarrhoea

You have entered {deathsnumtotal} deaths since {recallevnt}, *but the other sections reported at least {othersectiondeathtotal} deaths for newborns, or due to suspected cholera or measles.*

Please go back and check your work.

Deaths

Deceased person # {deathnamepos}:

144. What was the first name of the deceased individual?

145. What was the family name of the deceased individual?

146. Was {name_death} known by any other names or nicknames?

1

Deaths

147. What is your relationship to {name_deceased} ?

- ☐ Own household
- ☐ Neighbour
- ☐ Extended family
- ☐ Other
- ☐ Don't know
- ☐ No resposne

148. What was the sex of {name_deceased}?

- ☐ Male
- ☐ Female

149. What was the age in completed years of{name_deceased} ?

150. Do you know the day, month, and year of{name_deceased} birth?

☐ Yes

☐ No

151. What is the date of birth for{name_deceased}?

yyyy-mm-dd

152. If not exact date, can you estimate the month-year of birth for{name_deceased} ?

yyyy-mm-dd

153. Do you know the day, month, and year that{name_deceased} passed away?

☐ Yes

☐ No

154. Do you know the exact date that{name_deceased} passed away?

yyyy-mm-dd

155. If not, please estimate the month-year of death as close as possible?

yyyy-mm-dd

156. What was the general cause of death for{name_deceased}?

☐ Communicable illness (malaria, fever, COVID-19, measles, cholera, diarrhoea, etc.)

☐ Non-communicable illness

☐ Trauma/injury

☐ Maternal (pregnancy, during childbirth, after childbirth)

☐ Other

☐ Don't know

157. Please specify other broad cause of death

158. What was the main cause of death for {name_deceased}?

- ☐ Malaria
- ☐ Diarrhoeal disease
- ☐ Measles
- ☐ Respiratory infection
- ☐ Other communicable disease (malaria, fever, COVID-19, measles, cholera, diarrhoea, etc.)
- ☐ Heart attack or Stroke
- ☐ Cancer
- ☐ Diabetes
- ☐ Other non-communicable disease (diabetes, etc.)
- ☐ Intentional violence
- ☐ Snake, insect, animal bite
- ☐ Accident/trauma
- ☐ Other trauma/injury
- ☐ Post-partum (Died within 0-42 days after delivery)
- ☐ During pregnancy
- ☐ During delivery
- ☐ Other maternal
- ☐ Other

159. If other, please specify how died?

160. Where did the {name_deceased} pass away?

- ☐ Current location of residence
- ☐ Health facility at current location of residence
- ☐ During migration or displacement
- ☐ At last place of residence
- ☐ Health facility at last place of residence
- ☐ Other
- ☐ Don't know

161. If other, please specify?

162. Did{name_deceased} seek health care in the 2 weeks before dying?

- ☐ Yes
- ☐ No
- ☐ Don't know
- ☐ No response

163. If so, what place was health care sought?

- ☐ Government hospital
- ☐ Government health center
- ☐ Government health post
- ☐ Other government medical facility
- ☐ Private hospital
- ☐ Private clinic
- ☐ Other private medical facility
- ☐ NGO hospital
- ☐ NGO clinic
- ☐ Other NGO medical facility
- ☐ Other - please specify
- ☐ Don't know

164. if other, please specify?

165. If not, what was the main reason for not seeking care in a health structure/facility?

- ☐ Immediate death
- ☐ No money/consultation too expensive
- ☐ Too sick to seek care
- ☐ Not sick enough to seek care
- ☐ Health facility too far away
- ☐ Went to a traditional healer
- ☐ No time to go/too busy to go
- ☐ No trust in the health facility
- ☐ Safety issue
- ☐ Care was refused at the health center
- ☐ Other reason (specify)
- ☐ Don't know

166. if other, please specify?

167. In your own words, can you provide any other details about the circumstances of {name_deceased}'s death?

168. Was {name_deceased} a membre of the locality or quartier you currently live in?

- ☐ Yes
- ☐ No
- ☐ Don't know
- ☐ No response

169. If no, what Zone de Sante did {name_deceased} live at the time of death?

- ☐ Nyunzu
- ☐ Nyemba
- ☐ Kalemie
- ☐ Other

170. Please specify other Zone de Sante

171. If no, what Aire de Sante did {name_deceased} live at the time of death?

173. If no, what Village did {name_deceased} live at the time of death?

We would like to folow up more closely with the household of {name_deceased} to better understand the causes of their death. This will help us understand the causes of high mortality in Tanganyika Province so the health department and NGOs can better plan their response.

We would like to ask your permission to follow up with {name_deceased}'s household directly to better understand the causes of death. We would not disclose your information that you told us about the death, but it would increase the risk of breaching your confidentiality if we discussed with the household. If you are not comfortable with us following up with the household, please tell us. We will only follow up with them if you give us permission to do so.

Do we have your permission to follow up with the household of {name_deceased}?

- ☐ Yes
- ☐ No

Follow-Up Information

175. Do you have any phone number you can share for {name_deceased}'s household?

- ☐ Yes
- ☐ No
- ☐ Don't know
- ☐ No response

176. Phone number

177. Is there anyone else we could call by phone who could connect us with{name_deceased}'s household?

- ☐ Yes
- ☐ No
- ☐ Don't know
- ☐ No response

178. Phone number (alternate):

179. Do you have any other information on how we could reach or contact{name_deceased}'s household?

In the KIN section, you reported{numdeathskin} kin death since{recall_event};

In the DEATHS section, you reported{sumkindeaths2} kin deaths since{recall_event}.

Can you please re-check why there is a difference, go back and correct.

180. Any other comments or observations about this interview?

181. Please take the GPS points

latitude (x.y °)

longitude (x.y °)
